Welcome to the THDA Homebuyer Education Initiative training schedule calendar which lists HBEI events conducted by certified trainers in Tennessee. You may search the calendar by date, location, or type of training. Please take a few moments to read these simple instructions.

The first calendar page combines all types of homebuyer education events. To see only a specific type of training, click on the words **Event Type** just above the calendar. A drop down selection box will appear. When you click on it, your choices will be:

select view: [Event Type](#) | [Month](#) | [Week](#) | [Day](#) |

Homebuyer Education: Pre-purchase

Homebuyer Education: Pre-purchase | April | 2008

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday
Week 14	31			3	4

- Fair Housing
- Financial Management
- Foreclosure Seminars
- Homebuyer Education: Pre-purchase
- Maintenance Workshop
- Money Smart
- Post Purchase

After you select the appropriate category, only that type of training session will appear on the calendar. Use either the arrows ( ) or drop down boxes to select the month you want to see. Although a single week or day calendar view is available, the month view is probably the most useful.

Each session appears in the calendar by date, with the location and time of the training. Click on a specific session to pop up a window containing the details of that session. Included here will be contact information for the trainer, including name, phone number, and if available, a direct link to their email and website.

Click on the printer icon () if you want a hard copy of that session information.

If you need to search for a specific training location, click on the little yellow binoculars (). Enter the city name (i.e. Nashville, Knoxville, Memphis, etc.). The search results will list every training session for that city. Click on the specific

event to pop up a detail window as described above. Here is what the search window looks like:
