					\$ -												
TOTAL GREATER NASHVILLE 2011			\$ 4,368,750	\$ 312,702	\$ 4,681,452	105											

EXPLANATION OF PROPOSED FUNDING FOR THE GREATER NASHVILLE REGION

The amount allocated to this region is \$2,180,635. Once the four successful Dickson County grants were reduced proportionately based on the original grant request to stay within the \$750,000 county maximum, we were able to fully fund through the City of Smyrna. The balance of \$136,885 will be shifted to the Middle Grand Division. The number of units has been adjusted to reflect reduction in funding for the Dickson County projects.

EXPLANATION OF PROPOSED FUNDING FOR THE MIDDLE GRAND DIVISION

The amount available for the Middle Grand Division is \$754,994 from the balances in the Greater Nashville region (\$136,885), and the East Grand Division (\$618,109). After fully funding the Crossville HA, the Town of Baxter will receive \$275,926, plus 7% for administration. The number of units for Baxter has been adjusted to reflect the reduced funding.

EXPLANATION OF PROPOSED FUNDING FOR THE SOUTHEAST TENNESSEE REGION

The amount available for the East Grant Division is \$1,083,109 from the balances in the Upper East (\$180,298), the East (\$694,329) and Southeast (\$208,482) regional allocations. The unfunded applications from the Upper East, East and Southeast regions were then ranked on the East Grand Division matrix. After fully funding the Town of Jonesborough, there is a balance of \$618,109 and four applications tied at 110 points. The balance is shifted to the Middle Grand Division.
